25X1A TO : [REDACTED] DATE: 4 December 1964
 FROM : DAD/S&D

 SUBJECT:

25X1A Task Order 2 has two parts. One has to do with a balloon study
and that work has been completed; the other had to do with a [REDACTED]
25X1A analysis for [REDACTED]. I do not know that this has been completed.
These are two parts of work order 2. Would you check with [REDACTED] to
see whether or not he has gotten his [REDACTED] analysis and if it is
satisfactory. I don't believe he has.
